About Georgia Capital PLC

Georgia Capital is a platform for buying, building and developing businesses in Georgia with holdings in sectors that are expected to benefit from the continued growth and further diversification of the Georgian economy. The Group seeks to capture growth in the sectors in which it currently operates and drive the development of new high-growth businesses in Georgia, which it intends to add either by acquiring businesses in their early development stage or by establishing greenfield businesses, often consolidating fragmented or underdeveloped markets. Georgia Capital currently has the following portfolio businesses: (i) a healthcare services business; (ii) a water utility business; (iii) a retail (pharmacy) business, (iv) an insurance business (P&C and medical insurance); (v) a renewable energy business (hydro and wind assets) and (vi) an education business; We also hold other small private businesses across different industries in Georgia and a 19.9% equity stake in LSE premium-listed Bank of Georgia Group PLC ("BoG"), a leading universal bank in Georgia.

JSC Georgia Capital has, as of the date hereof, the following credit ratings:

S&P Global	'B'/FC & 'B'/LC
Moody's	B2/CFR & B2/PDR
