

## WORLD'S BEST FOREIGN EXCHANGE BANKS 2008

**NEW YORK** – *Global Finance* magazine has named the “Best Foreign Exchange Banks and Providers” by country, region and category in an exclusive survey to be published in the January 2008 issue. Deutsche Bank was named as the global winner. *Global Finance* editors – with input from industry analysts, corporate executives and technology experts – also selected the best currency trading providers in 82 countries or regions. The best online foreign exchange systems were also identified. Criteria for choosing the traditional and online winners included

transaction volume, market share, scope of global coverage, customer service, competitive pricing and innovative technologies.

“The global foreign exchange market continues to evolve in response to economic, political and technological forces. Average daily turnover has surpassed \$3 trillion in this fast-growing market. We have identified the banks that large global companies can rely on for their FX needs,” says Joseph D. Giarraputo, publisher and president of *Global Finance*.
